

Exhibit B

Transfer Credit Guide from Bucks County Community College to Saint Joseph's University's General Education Program (GEP)

Curriculum

The General Education Program (GEP) curriculum directly supports six Student Learning Outcomes that are expected of all undergraduate students at SJU: communication; critical thinking and inquiry; ethics, social justice and Ignatian values; diversity; program specific competencies; and Jesuit intellectual tradition. The GEP curriculum applies to all first-time and transfer undergraduate students at Saint Joseph's University. The following courses are recommended to satisfy some General Education Program requirements needed for graduation. A maximum of 20 courses can be transferred. Courses can only be used once towards the GEP, other courses listed below may transfer as electives. Students are encouraged to follow any established Bucks-SJU Program-to-Program Guides to ensure their courses transfer. GEP requirements vary by major.

Bucks Recommended Courses	Saint Joseph's University
Transfer students are exempt from taking the first year seminar.	Signature Course: First Year Seminar
